### **Directions for E the Elf:**

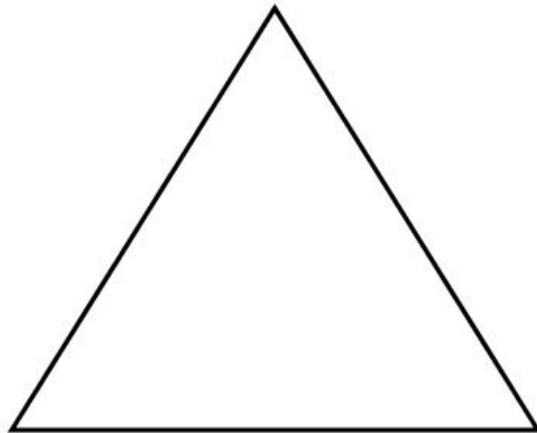

1. Place the large piece of construction paper on your work surface like a piece of large writing paper.
2. Glue the LARGE GREEN TRIANGLE (his hat) on the TOP CENTER of the paper.
3. Glue the LARGE ORANGE OVAL directly under the LARGE GREEN TRIANGLE (This is his face)
4. Glue the LARGE GREEN RECTANGLE the long way directly under the OVAL. Touch the bottom of the OVAL to the top of the RECTANGLE when gluing it down. (This is his coat/body)
5. Glue the TWO LONG GREEN TRIANGLES down on each side of the rectangle (like arms) You can place them any way you like: up for waving, down by the side of the body, one up and one down. This is your creation!
6. Glue the THIN ORANGE DIAMONDS under the bottom of the LARGE GREEN RECTANGLE (like legs)
7. Glue the FAT GREEN DIAMONDS perpendicular (they should look like big shoes) to the bottom of the THIN ORANGE DIAMONDS.

8. Glue the TWO ORANGE HEXAGONS on the end of each FAT GREEN DIAMOND (like balls on the top of his shoe)
9. Glue the THIRD ORANGE HEXAGON to the top of the LARGE GREEN TRIANGLE (like a pom pom on his hat)
10. Glue the LONG ORANGE RECTANGLE long ways across the LARGE GREEN TRIANGLE about half way down (like a strip across his hat)
11. Glue the SMALL GREEN SQUARE directly in the middle of the LONG GREEN RECTANGLE (like a belt buckle on his body)
12. Glue the TWO SHORT ORANGE RECTANGLES on each side of the SMALL GREEN SQUARE (like a belt)
13. Glue the TWO ORANGE QUADRILATERALS (like hands) to the ends of arms (the green rectangles)
